### **Yee Hong Centre for Geriatric Care Announces Glen Chow as New Chief Executive Officer**

On behalf of the Board of Directors, I'm pleased to announce that Glen Chow will be joining the Yee Hong Centre for Geriatric Care as the new Chief Executive Officer, effective February 3, 2025.

Glen is a dynamic and accomplished executive with over 30 years of leadership experience across multiple sectors, including healthcare, long-term care, and seniors housing. His background spans strategic planning, financial management, and organizational transformation across North America, the UK, and internationally, fostering strong partnerships and driving sustainable growth.

Most recently, Glen served as Chief Financial Officer at Revera Inc., where he drove strategic growth, developed successful partnerships, and led transformative initiatives in operations and finance. He also brings healthcare experience from The Hospital for Sick Children, overseeing pension and endowment funds and enhancing financial and capital planning to support the hospital.

Glen has held key governance roles with Signature Senior Lifestyle Limited in the UK and Sunrise Senior Living LLC in the US, and his management consulting work internationally has allowed him to collaborate with diverse stakeholders to drive organizational success.

Glen is well-positioned to lead Yee Hong in its mission to deliver high-quality, culturally appropriate senior care services, strengthening its market-leading reputation while driving sustainable growth and operational excellence.

To ensure a smooth transition, Asmita Gillani, who has been serving as Interim CEO, will remain with Yee Hong in the immediate term. She will work closely with the Board of Directors and Glen on key strategic initiatives to facilitate an effective handover and ensure continuity in operations and ongoing mission-critical projects.

We look forward to an exciting and forward-looking future with Glen's leadership, continuing to make a positive impact on the lives of the seniors we serve.

Tony Chang  
Board Chair, Yee Hong Centre for Geriatric Care
